

# wheat II

[https://configure.ergodox-ez.com/keyboard\\_layouts/vldvzw](https://configure.ergodox-ez.com/keyboard_layouts/vldvzw)

A regular key

A modifier key (Shift, for example)

A dual-function key. Sends Z when you tap it, and acts as Ctrl when you press and hold it.

LED control, for the ErgoDox EZ Shine.
